## Narcissism A New Theory

**the errors of erik erikson a critique of young man luther ...** - 4 the "superego" is "a kind of automatic governor which limits the expression of the id by opposing to it the demands of conscience" (193c&s). the "ego" is claimed to balance the "id" and "superego" **the master list of virtues - beliefcloset** - compiled by lion goodman . the master list of virtues . people say that there are many sins and virtues, but i think there is only one sin - to let one breath go without being conscious of it.
